

**STATE OF ILLINOIS
ILLINOIS COMMERCE COMMISSION**

AMEREN TRANSMISSION COMPANY OF ILLINOIS

Petition for a Certificate of Public Convenience and Necessity, pursuant to Section 8-406.1 of the Illinois Public Utilities Act, and an Order pursuant to Section 8-503 of the Public Utilities Act, to Construct, Operate and Maintain a New High Voltage Electric Service Line and Related Facilities in the Counties of Adams, Brown, Cass, Champaign, Christian, Clark, Coles, Edgar, Fulton, Macon, Montgomery, Morgan, Moultrie, Pike, Sangamon, Schuyler, Scott and Shelby, Illinois.

Docket No. 12-0598

**APPLICATION FOR REHEARING ON ORDER
SUBMITTED BY MR. ANDREW ROBINETTE AND MS. STACY ROBINETTE**

ANDREW ROBINETTE and STACY ROBINETTE ("Applicants"), by their attorney, Kevin N. McDermott, pursuant to 83 Ill. Adm. Code 200.880 and 220 ILCS 5/10-113, respectfully file an APPLICATION FOR REHEARING on a certain issue determined in the Order entered herein on August 20, 2013 ("Order"), being the route approved by the Illinois Commerce Commission ("Commission") between Meredosia - Pawnee, and in support thereof states as follows:

1) On February 13, 2013, the Applicants filed with the Commission, an INTERVENOR ALTERNATE ROUTE PROPOSAL OF ANDREW ROBINETTE AND STACY ROBINETTE ("Robinette Proposal"), a copy of which is attached as Exhibit A.

2) The Robinette Proposal requested that ATXI's Alternative Route run diagonally and in a southeasterly direction from north of the Pitchford and Delong Roads to Nortonville Road ("Pitchford/Delong to Nortonville Route").

3) On March 29, 2013, the Applicants filed with the Commission, the TESTIMONY OF ANDREW ROBINETTE ("Testimony") in support of the Pitchford/Delong to Nortonville Route. A copy of the Testimony is attached as Exhibit B.

4) Both the Robinette Proposal and the Testimony was submitted in accordance to and in compliance with the REVISION TO DECEMBER 14, 2012 CASE MANAGEMENT PLAN, issued by the Commission on January 25, 2013.

5) In response to the Robinette Proposal, the Applicants did not receive any pleadings, filings or testimony, from any parties, arguing against the Pitchford/Delong to Nortonville Route.

6) The Robinette Proposal is a simple and cost effective option which greatly reduces the impact of the ATXI Alternate Route on the residents of Delong Road by rerouting the ATXI Alternate Route away from residential real estate and across agricultural real estate.

7) The Order (page 75) states in part "...the Robinettes propose a route that is approximately 75.2 miles in length." That is not true. The Robinette Proposal was for an alternate route only between Pitchford and Delong Roads to Nortonville Road, a distance of

approximately .50 miles.

8) The Commission acknowledged the filing of the Robinette Proposal in the Order at footnote 8 on page 75 of the Order. The Order further states that the Testimony of the Robinettes was not moved into evidence.

9) Although the Commission acknowledge the filing of the Robinette Proposal, the Commission failed to consider the proposal in the manner as submitted to the Commission in that: (i) the Commission, in the Order, did not consider the merits of the Pitchford/Delong to Nortonville Route as submitted to the Commission in the Robinette Proposal; and (ii) the Commission mistakenly identified the Pitchford/Delong to Nortonville Route as a 75.2 mile route.

10) The Applicants respectfully request that the Commission grant a rehearing to the Applicants on the merits of the Pitchford/Delong to Nortonville Route as submitted to the Commission in the Robinette Proposal and allow for admission of the Testimony into evidence.

DATED this 27th day of August, 2013.
